

Nucor Steel – Nebraska
Complete PRIDE Environmental Policy
EMS-REF-00025

We Will...

- Operate so our neighbors will not notice our presence
- Reduce our impact on and protect the environment
- Meet or exceed all compliance requirements
- Implement cost effective pollution prevention and waste minimization programs
- Maintain and continually improve the Environmental Management System to enhance environmental performance and integrate with other business processes
- Be leaders in environmental protection and stewardship

Environmental Protection is Everyone's Responsibility
